Electrical Systems for Power and Light

The EBay Price Guide

Provides detailed unit cost items, comprehensive assemblies costs and informative reference information. It contains thousands of material and labor price entries, 3-D illustrations, estimating models and a labor-hour format to make the information more useful for estimating and scheduling. With revised and expanded residential

wiring cost data for homes, condominiums and apartments. New for 2004: Increase in types of voice and data outlets and LAN systems, and a reference page on Energy Efficiency Ratings for Luminaries.
