Keeps knocking down my defenses and stealing my excuses one by one. He never gives up, and now I'm not sure I want him to.

Break the Grip of Past Lovers

Algedonic is an aesthetic outlook on pain and pleasure. Complex emotions simplified into poetic interludes as only r.h. Sin can express. With his trademark of giving simplicity to some of the hardest of emotions, Sin reminds us all that there are often two sides to an emotional story and sometimes the pain transforms into something beautiful, something less problematic and maybe something that reignites a feeling of pleasure.

Baby's Night-Night Storybook

Beautiful, inspiring, and empowering, Worlds of You sweeps readers away on a journey of emotion. Filled with lyric wisdom, Taplin's second book expands on the themes introduced in Bloom, offering insight and comfort.

I Hope You Stay

Honest

In this collection, Amanda Torroni expands on her previously published chapbook, *Stargazing at Noon*, adding over seventy poems and brand-new material. Torroni writes about intimacy, distance, the body, self-doubt, nostalgia, and love—both lost and found. Her poems weave disparate source material into beautiful metaphor; readers are as likely to find Plato and neurological terminology as they are moonlit lovers and broken hearts.

I Give You My Heart

"He played with her heart, the saddest song you ever heard." I'm sorry to disappoint you, but this book is not a "love story." It is just a very small square in the enormous circle that connects us all. I am the story. I am the poems. And you are my muse.

Worlds of You

In the fall of 2005, Frank Turner was virtually unheard of. His rock band, Millions Dead, was finishing up a grueling tour and had agreed that their show on September 23 would be their last. The entry on the band's schedule for September 24 read simply: "Get a job." Cut to July 2012—the London Olympics, where Turner and his backing band, The Sleeping Souls, are playing the pre-show, after having headlined sold-out arena shows across the UK for months. *The Road Beneath My Feet* is the unvarnished story of how Turner went from crashing on couches at house shows to performing for thousands of screaming fans who roar his every lyric back at him. Told through tour reminiscences, this is a blisteringly honest tale of a rock career that's taken Turner from drug-fuelled house parties and the grimy club scene to international prominence and acclaim. But more than that, it is an intimate account of what it's like to spend your life constantly on the road, sleeping on

floors, invariably jetlagged, all for the love of playing live music.

At roughly 300 pages, this culminating volume will be his lengthiest yet.

On the northeast side of town, there is a house. The house was once magical, filled with love and joy and plans for the future. Inside its walls are many things that belong to me - my books, the china from my mother on my wedding day, the beautiful cage once home to two birds, now empty, just like me. And a man. A man who also belongs to me. A man I no longer wish to keep. A man who, no doubt, has not slept, though the sun is rising. Because the house where he waits is where I laid my head to rest every night for eight years. Until last night. No one who knows me would believe Charlie Pierce, the quiet, bookish girl who never made waves is pulling out of the driveway of a man who isn't her husband. But they don't know me at all. I don't even know me. Not anymore. They say there are two sides to every story, and I suppose in most cases, that's true. But the one I live inside of? It has three. On the northeast side of town, there is a house. But there is no longer a home.
