* Instant NEW YORK TIMES and USA TODAY bestseller
* * GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 * * BEST BOOK OF THE YEAR* for VOGUE, NPR, VANITY FAIR, and more! * What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's Red, White & Royal Blue proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I'm jealous of all the readers out

missing from her life. Even though her job with the Fawn Hollow Township Police Department keeps her busy, she continues to feel as if there is something else out there she is meant to be doing. Kristin finds herself investigating a homicide where a young woman has had her throat ripped brutally out. As she begins to dig for the answers, she finds herself thrown into a world she never knew existed. When Julian and Alexander crash into her life, she finds herself being pulled into a love triangle that has been going on longer than she has been alive. Kristin in determine to figure out who they are and why they keep calling her Calista. Join Kristin as she fights to learn the truth about the recent murder, the two seductive men who have entered into her life and the real truth about herself in a suspenseful tale that weaves paranormal into to the realistic world of law enforcement. My Blood Runs Blue was originally published in 2011 but was recently been revised and re-edited in 2014.

The Nation

Originally published in 1982. This book charts the reading progress of ten children through their first three years at school, concentrating particularly on their problems and the ways they coped with them. The author uses these case studies to analyse the children's understanding, experience of behaviour associated with literacy, and developing knowledge of spelling in the early stages of learning to read. Her analysis of the children's difficulties and successes, against the background of their home experience, classroom activities and teachers' methods, calls in question any simplistic generalisations about the ways that background and teaching method can affect reading progress.

THE KNOWLEDGE is not just a writer's coming-of-age story. It's every writer's coming-of-age story. If you're a fan of THE WAR OF ART, Pressfield's new memoir, THE KNOWLEDGE, is the story behind that story and the origin tale between its lines. In the high-crime 1970s in New York, Pressfield was driving a cab and tending bar, incapable of achieving anything literary beyond the completion of his third-in-a-row unpublishable novel. Until fate, in the form of a job tailing his boss's straying wife, propels him into a Big Lebowski-esque underworld saga that ends with him coming to a life-altering crisis involving not just the criminals he has become deeply and emotionally involved with, but with his own inner demons of the blank page.

Wicca is a legally recognized religion in the United States of America, but if you ask ten different Wiccans about it, you will be presented with different points of view. Thousands of people from all walks of life all around the world are practicing Wiccans. But Wicca is not just about witchcraft. And it definitely is not about doing spells and harming others because the main principle of Wiccans is “An ye harm none, do what ye will”, that is, do whatever you want, as long as you never harm another human being. If you are interested in learning about Wicca, about its basic principles, and about the tools you will need to do magic spells, continue reading this guide and you will
