A hugely entertaining and riotous re-telling of a classic fairy tale from one of the most original and funny voices in children's books today. Have you ever heard the

story of Goldilocks and the Three Dinosaurs? Yes, you heard right - DINOSAURS. Once upon a time, there were three hungry dinosaurs: Papa Dinosaur, Mama Dinosaur and a Dinosaur who happened to be visiting from Norway. Of course. One day, purely on a whim, they decided to tidy up their house nice and neat, make their beds up all cosy and comfortable, prepare delicious hot chocolate pudding of varying temperatures, place their chairs just so, and go SOMEWHERE ELSE. Let's be clear, they were definitely NOT setting up a trap for some succulent, poorly supervised little girl called Goldilocks who may wander by ahem.

### **Besos for Baby**

What does an elephant do? It stomps its foot. Can you? From the creator of such beloved classics as The Grouchy Ladybug and The Mixed-Up Chameleon comes this interactive story that invites kids to imitate animal movements. Watching giraffes bend their necks or monkeys wave their arms is fun, but nothing could be better than joining in. From their heads down to their toes, kids will be wriggling, jiggling, and giggling as they try to keep up with these animals! Alligators wiggle, elephants stop, gorillas thump, and giraffes bend. Can you do it? 'I can do it!' is the confidence-building message of this fun-filled interactive picture book. A variety of familiar animals invite young children to copy their antics, and as they play, they will learn such important skills as careful listening, focusing attention, and following instructions. Just as alphabet books introduce the very young child to

letters and simple words, *From Head to Toe* introduces the basic body parts and simple body movements. And in the same way that children progress from understanding simple words to reading and writing sentences and stories, so they will progress from simple body movements to dancing, gymnastics, and other sports and activities, with confidence and pleasure. Eric Carle's colorful collages have delighted children for more than a generation. Each book provides hours of fun while encouraging them to stretch their imaginations. His matchless words and illustrations now send out a new challenge: Are you ready? Here we go! Move yourself *From Head to Toe*. A Main Selection of the Children's Book-of-the-Month Club

When Gabe returns sooner than expected from his fishing trip, Ethan is thrilled. It turns out that Gabe didn't enjoy fishing because the fish scared too easily.
