The American Paradox by David G. Myers - Yale University Press

For Americans entering the twenty-first century, it is the best of times and the worst of times. Material wealth is at record levels, yet disturbing social problems reflect a deep spiritual poverty. In this compelling book, well-known social psychologist David G. Myers asks how this paradox has come to be and, more important, how we can spark social renewal and dream a new American dream.<BR

Myers' Psychology for AP by David G Myers (Hardback, 2010)

David Myers does a great job of taking on a quite challenging topic and parsing it out in a way that is both understandable and not dumbed down. He tackles the material step by step, providing the building blocks first, getting into issues of anatomy, then launching out into more complex topics such as dreams, memory, and stress.
