When Broken Glass Floats: Growing Up Under the Khmer Rouge

Modern Cambodian-English Dictionary

Cambodian-English, English-Cambodian Dictionary

Cambodian for Beginners

A Survey of Materials for the Study of the Uncommonly Taught Languages: Languages of Southeast Asia and the Pacific

This is a compact and travel-friendly Cambodian-English, and English-Cambodian dictionary. The Tuttle Practical Cambodian Dictionary answers the need for a dictionary of Cambodian that is handy, current, and useful to those with little or no experience with the Cambodian language. With other Cambodian dictionaries designed for those who can read Cambodian script, this dictionary provides entries in both script and romanized form. Entries provide clear, precise definitions and sample phrases to illustrate the natural use of the language. Foreigners learning Cambodian and Cambodians learning English will find this dictionary a reliable and effective reference tool for their studies. Useful features include: both English-Cambodian and Cambodian-English sections. Approximately 5,500 entries. All entries in both romanized and Cambodian script. Helpful appendixes and sample usages. Handy, compact size.

No Uncertain Terms

Children of Cambodia's Killing Fields

Colloquial Cambodian provides a step-by-step course in Cambodian as it is written and spoken today. Colloquial Cambodian has been developed by a linguist and an experienced Cambodian language professor and combines an accessible approach with a thorough treatment of the language, equipping learners with the essential skills needed to communicate confidently and effectively in Cambodian in a broad range of situations. No prior knowledge of the language is required. Key features include: progressive coverage of speaking, listening, reading, and writing skills; jargon-free explanations of grammar; an extensive range of focused and stimulating exercises; realistic and entertaining dialogues covering a broad variety of scenarios; coverage of the Cambodian writing script; useful vocabulary lists throughout the text; additional resources available at the back of the book, including a full answer key, a grammar summary, bilingual glossaries, and translations of dialogues and reading passages. Balanced, comprehensive, and rewarding, Colloquial Cambodian is an indispensable resource both for independent learners and for students taking courses in Cambodian. Accompanying audio material is available for free download from www.routledge.com/9780415524070 in MP3 format. Recorded by native speakers, the audio complements the book and will help enhance learners' listening and speaking skills.

Khmer-English/ English-Khmer (Cambodian) Practical Dictionary

The appalling Cambodian genocide remains barely studied even to this day. Yet nearly two million Cambodians (around 20 percent of Cambodia's population) died between 1975 and 1979 as a result of the dictator Pol Pot and the Khmer Rouge Communist government. Innocent Cambodians were murdered, starved, and tortured. This fascinating book offers an overview of this tiny Asian country's history, framing the events that led up to this tragic genocide. Readers will learn about

the key players in the genocide, as well as the complications in obtaining justice in its aftermath.

An Annotated Bibliography of Cambodia and Cambodian Refugees

Cambodian-English Glossary contains over 8,800 words. Originally published by Yale University Press, 1977. Reissued with permission by Cornell Southeast Asia Program, 1988. This is the third in a series of Cambodian readers prepared by Franklin Huffman and Im Proum, following their Cambodian System of Writing and Beginning Reader and Intermediate Cambodian Reader. The reader contains thirty-two selections from some of the most important and best-known works of Cambodian literature in a variety of genres—historical prose, folktales, epic poetry, didactic verse, religious literature, the modern novel, poems and songs, and so forth. The introduction is a general survey in English of Cambodian literature, and each section has an introduction in Cambodian. For pedagogical reasons, the selections are presented roughly in reverse chronological order, from modern prose to the very esoteric and somewhat archaic verse of the Ream-Kie (the Cambodian version of the Ramayana). The reader concludes with a bibliography of some sixty items on Cambodian literature. The glossary combines the 4,000 or so items introduced in this reader with the more than 6,000 introduced in the previous two readers, making it the largest Cambodian-English glossary compiled to date. The definitions are more general and complete than one usually finds in a simple reader glossary, in which definitions are normally context-specific. Because the glossary is so useful in itself, it is being made available separately as well as bound with the reader.

Modern Spoken Cambodian

Enlarged by some 50 percent and equipped with more comprehensive name and subject indexes, the second edition of this unique guide contains bibliographic and descriptive annotations for 8,000 dictionaries. It features 1,500 additional bilingual works, 400 new subject categories, and all the major electronic dictionaries produced in English. While the primary emphasis is on language dictionaries, subject dictionaries on topics as varied as ceramics, bookbinding, and theatre as well as dictionaries issued by international bodies and agencies are included. Covering all the world's languages, works may be bilingual, monolingual, or multilingual as long as there is an English element.

The Linguistic Reporter

Welcome to the enchanting world of Cambodia, home of Angkor Wat and other treasures of Southeast Asian culture. The country's natural beauty and history are waiting to captivate you. The Cambodian people are among the friendliest in the world, and when you learn their language, you will gain an even greater appreciation of this exotic land.

Walford's Guide to Reference Material: Generalia, language & literature, the arts

Designed to accompany the series of Cambodian readers prepared by Franklin E. Huffman and Im Proum, this work is now reissued as an aid not only to students of the Cambodian language but also to Cambodians residing in English-speaking countries. The largest such glossary compiled to date, it includes some 10,000 words, with definitions that are useful and complete at a general level, beyond the specific context of the published readings. Although less comprehensive than a dictionary, it fills an important purpose as an inexpensive aid for speakers of either language.

Handbook for Teaching Khmer-speaking Students

Originally published by Yale University Press, 1970. To order accompanying CDs for this book, contact the Language Resource Center at Cornell University (<http://lrc.cornell.edu>).

The journal of Asian studies

Drawing on extensive ethnographic fieldwork in Cambodia, Erik W. Davis radically reorients approaches toward the nature of Southeast Asian Buddhism's interactions with local religious practice and, by extension, reorients our understanding of Buddhism itself. Through a vivid study of contemporary Cambodian Buddhist funeral rites, he reveals the powerfully integrative role monks play as they care for the dead and negotiate the interplay of non-Buddhist spirits and formal Buddhist customs. Buddhist monks perform funeral rituals rooted in the embodied practices of Khmer rice farmers and the social hierarchies of Khmer culture. The monks' realization of death underwrites key components of the Cambodian social imagination: the distinction between wild death and celibate life, the forest and the field, and moral and immoral forms of power. By connecting the performative aspects of Buddhist death rituals to Cambodian history and everyday life, Davis undermines the theory that Buddhism and rural belief systems necessarily oppose each other. Instead, he shows Cambodian Buddhism to be a robust tradition with ethical and popular components extending throughout Khmer society.

Deathpower

"A comprehensive, up-to-date guide to Khmer, the national language of Cambodia. Often referred to colloquially as "Cambodian", Khmer has about 16 million native speakers. This guide includes over 18,000 word-to-word entries, plus guides to the Khmer alphabet, pronunciation, and basic usage"--

Bailey's Catalogue of Dictionaries and Grammars in the Languages of the Orient, Africa, the

Americas, & Oceania

Provides an annotated list of reference works dealing with librarianship, reading, journalism, book, collecting, language, art, music, photography, and entertainment

Colloquial Cambodian

This was the first English-Khmer (Cambodian) dictionary to be published in the Western world. It contains some 40,000 English entries and subentries and their translations. The primary objective of the dictionary is to provide a corpus of basic words and phrases which it would be useful for Western students of Khmer to know how to say or write in standard Khmer. The second objective is to provide the first comprehensive English-Khmer dictionary for Khmer students learning English, particularly important now because of the recent arrival in the United States of more than 15,000 Khmer refugees. The third objective is to provide a research tool for those linguists, philologists, and other scholars interested in the study of the Khmer language, notable both for its rich literary traditions and for its place in the linguistic history of Southeast Asia.

Cambodia

Contemporary Cambodian

English-Khmer Military Glossary

The study of Cambodian religion has long been hampered by a lack of easily accessible scholarship. This impressive new work by Ian Harris thus fills a major gap and offers English-language scholars a booklength, up-to-date treatment of the religious aspects of Cambodian culture. Beginning with a coherent history of the presence of religion in the country from its inception to the present day, the book goes on to furnish insights into the distinctive nature of Cambodia's important yet overlooked manifestation of Theravada Buddhist tradition and to show how it reestablished itself following almost total annihilation during the Pol Pot period. Historical sections cover the dominant role of tantric Mahayana concepts and rituals under the last great king of Angkor, Jayavarman VII (1181–c. 1220); the rise of Theravada traditions after the collapse of the Angkorian civilization; the impact of foreign influences on the development of the nineteenth-century monastic order; and politicized Buddhism and the Buddhist contribution to an emerging sense of Khmer nationhood. The Buddhism practiced in Cambodia has much in common with parallel traditions in Thailand and Sri Lanka, yet there are also significant differences.

The book concentrates on these and illustrates how a distinctly Cambodian Theravada developed by accommodating itself to premodern Khmer modes of thought. Following the overthrow of Prince Sihanouk in 1970, Cambodia slid rapidly into disorder and violence. Later chapters chart the elimination of institutional Buddhism under the Khmer Rouge and its gradual reemergence after Pol Pot, the restoration of the monastic order's prerevolutionary institutional forms, and the emergence of contemporary Buddhist groupings.

Khosana

A Survey of Materials for the Study of the Uncommonly Taught Languages

Provides English and Cambodian equivalents for more than seven thousand terms, and includes synonyms, style levels, and negatives

Cambodian Buddhism

Illuminates many facets of these spectacular cloths.

Pictorial Cambodian Textiles

Chanrithy Him felt compelled to tell of surviving life under the Khmer Rouge in a way "worthy of the suffering which I endured as a child." In a mesmerizing story, Chanrithy Him vividly recounts her trek through the hell of the "killing fields." She gives us a child's-eye view of a Cambodia where rudimentary labor camps for both adults and children are the norm and modern technology no longer exists. Death becomes a companion in the camps, along with illness. Yet through the terror, the members of Chanrithy's family remain loyal to one another, and she and her siblings who survive will find redeemed lives in America. A Finalist for the Kiriyama Pacific Rim Book Prize.

Mon-Khmer Studies

Publisher Fact Sheet This extraordinary collection of eyewitness accounts by Cambodian survivors of Pol Pot's genocidal Khmer Rouge regime in the 1970s offers searing testimony to an era of brutality, brainwashing, betrayals, starvation, & gruesome executions.

Dictionary of Dictionaries

Cambodian System of Writing and Beginning Reader with Drills and Glossary

Cambodian-English Glossary

Tuttle Practical Cambodian Dictionary

A Frequency Dictionary of German is an invaluable tool for all learners of German, providing a list of the 4,034 most frequently used words in the language. Based on a 4.2 million-word corpus which is evenly divided between spoken, fiction and non-fiction texts, the dictionary provides a detailed frequency-based list plus alphabetical and part of speech indexes. All entries in the rank frequency list feature the English equivalent, a sample sentence plus an indication of major register variation. The dictionary also contains twenty-one thematically organized lists of frequently used words on a variety of topics as well as eleven special vocabulary lists. A Frequency Dictionary of German aims to enable students of all levels to maximize their study of German vocabulary in an efficient and engaging way.

Lost Goddesses

South-East Asia

This book is a sequel to the author's Cambodian System of Writing and Beginning Reader. It is intended to develop the student's ability to the point of reading unedited Cambodian texts with the aid of a dictionary. Part One consists of 37 reading selections in Cambodian, graded in length and difficulty, from publications by Cambodia's leading writers and scholars. It includes articles on Cambodian history, culture and geography; Cambodian folktales; newspaper articles and editorials; and modern Cambodian fiction. Each selection is followed by a list of the vocabulary items not previously introduced, along with their definitions.

Intermediate Cambodian Reader

Cambodian Literary Reader and Glossary

An annotated multi-disciplinary bibliography of some 1,000 detailed, thoughtful entries, concentrating on areas which have received the most attention from writers and researchers, such as traveller's accounts, archaeology and ancient art, history, and politics. Of special interest is coverage of Cambodia in Western literature, human rights and genocide, mines, refugees, the peace process, and foreign relations. Includes sections on films and videos, recorded music, audio and Braille books, and Internet sites and databases. For general readers, students, researchers, librarians, and those in media. Annotation copyrighted by Book News, Inc., Portland, OR

Dictionary of Dictionaries and Eminent Encyclopedias

English-Khmer Glossary of Important Terms and Phrases for Banking, Customs, Education, Immigration, the Law, Medicine, Taxation, Trade Unions, Welfare

The Khmer Rouge's Genocidal Reign in Cambodia

In prehistoric times, Southeast Asian women enjoyed high status. When, how and why did that change? This book explores the history of gender relations through economics, politics, art and literature. This title is a narrative and visual tour de force, of interest to scholars and the general public.

English-Khmer Dictionary

A Frequency Dictionary of German

This volume consists of four parts: (1) The Cambodian Writing System, a formal description of the relationship between the writing system and the phonology of the language; (2) Programmed Reading Exercises, a series of highly structured reading drills to train the student to read all regular Cambodian word shapes; (3) Beginning Cambodian Reader, fifty reading selections, graded in length and difficulty, ranging from short, simple narratives to essays on various aspects of Cambodian

culture; and (4) Cambodian-English Glossary, containing some 2,000 words.
