An unannotated bibliography of criticism, mostly journal articles, of prose written during the past two centuries by selected authors either from Britain or clearly part of British culture, including Scot Walter Scott, New Zealander Katherine Mansfield, and Canadian Margaret Atwood. The works cited range from contemporary professional reviews to semiotic interpretations, from New Critical approaches to new historicist readings, from linguistic subtleties to cross-cultural estimations. The arrangement descends from prose author, to title of work, and finally critic. No index. Annotation copyrighted by Book News, Inc., Portland, OR

Coleridge, Language and the Sublime

R.S. Thomas (1913-2000) is one of the major poets of the twentieth-century, the greatest Welsh poet since Dylan Thomas, and one of the finest religious poets in the English language. This substantial gathering of his late poems shows us the final flowering of a truly great poet still writing at the height of his powers in his 70s and 80s. It begins with his autobiographical sequence, *The Echoes Return Slow*, unavailable for many years, and also includes, *Counterpoint*, *Mass for Hard Times*, *No Truce With the Furies*, and his final collection, *Residues*.

Originally published by The Supreme Grand Lodge of the Ancient Mystical Order Rosae Crucis (AMORC) in 1918 and again in 1929, with several reissues, the Rosicrucian Manual is an official manual for new members of the AMORC and Rosicrucianism. The AMORC Imperator and author of the book, H. Spencer Lewis, describes the manual as a "Guide to the Work and Studies of the Order." It contains a greeting and preliminary instructions, as well as a description of the AMORC and its important officers, general and special instructions to Members and Lodges, Mystic Symbols and their meanings, magical and alchemical explanations, and a dictionary and FAQ. HARVEY SPENCER LEWIS (1883-1939), a well-known Rosicrucian author, mystic, occultist, alchemist, and inventor, was the founder of the Ancient Mystical Order Rosae Crucis (AMORC) in the USA, as well as its first Imperator from 1915 until his death. Born in Frenchtown, New Jersey, Lewis used his training as a commercial artist for an advertising company to promote the AMORC in its early days through print ads and pamphlets. Lewis believed it was his mission to spread modern mysticism throughout the United States, which he did by promoting AMORC tours, appearing on radio shows, giving demonstrations, writing books, and inventing mystical devices. His inventions include the Luxatone, the Cosmic Ray Coincidence Counter, and the Sympathetic Vibration Harp.

Coleridge and the Daemonic Imagination

Winner of the CCUE Book Prize 2012!

Fascinated by his own imagination, Coleridge secretly wrote that its characteristic blend of power and desire made him a "Daemon": a being superstitiously feared as "a something transnatural." Coleridge and the Daemonic Imagination examines this simultaneous experience of exaltation and transgression as a formative principle in Coleridge's poetry and the fabric of his philosophy. In a reading that spans the breadth of Coleridge's achievement, through politics, religion and his relationship with Wordsworth, this book builds to a new interpretation of the poems where Coleridge's daemoniac imagination produces its myths: "The Rime of the Ancient Mariner," "Kubla Khan" and "Christabel." Gregory Leadbetter reveals a Coleridge at once more familiar and more strange, in a study that unfolds into an essay on poetry, spirituality, and the drama of human becoming.

Qatar Business Law Handbook

Is your spiritual path a road to hell paved with good? Most spiritual books offer advice. "The Anti-Wisdom Manual" takes a different approach by describing what behaviours block the spiritual path. With wry

compassion, this is a spiritual handbook in reverse, alerting readers to the common traps many sincere seekers fall in to. Whatever their chosen way, Christian, Buddhist, Muslim, or Jewish, the manual highlights how sincere seekers: nip awareness in the bud; use emotions to stay stuck; use the mind to stay entertained; antagonise friends and family with spiritual savvy; become deaf through well-rehearsed spiritual rhetoric; undermine relationships with spiritual mentors; make enormous mountains out of insignificant molehills. The humour never overshadows the message, but like a true magnifying glass, clarifies confusion, false beliefs and pseudo-spiritual certainties; and deals a severe blow to spiritual righteousness and ideology.

Traversing the themes of language, terror and representation, this is the first study to engage Coleridge through the sublime, showing him to have a compelling position in an ongoing conversation about finitude. Drawing on close readings of both his poetry

and prose, it depicts Coleridge as a thinker of 'the limit' with contemporary force.

The Anti-Wisdom Manual

This new volume demonstrates the extent and diversity of Coleridge's writings on the sublime. It highlights the development of his aesthetic of transcendence from an initial emphasis on the infinite progressiveness of humanity, through a fascination with landscape as half-revealing the infinite forces underlying it, and with literature as producing a similar feeling of the inexpressible, to an increasing emphasis on contemplating the ineffable nature of God, as well as the transcendent power of Reason or spiritual insight.

Cole Foster had only one wish this Christmas... And that was for Rachel Merriday to realize, finally, that she was in love with him! The only problem was, he and Rachel were friends...just friends. Sure, they kissed that once—and what a kiss!—but Cole was waiting for the right time to tell her how he really felt. But has time run out? Rachel was coming home to Colorado for Christmas with a new man! And from what Cole's been hearing, this guy might just be "the one." How could that be, when it's been so obvious from the moment Rachel first leveled him with a snowball as kids, that it's Cole she should be kissing under the mistletoe! Maybe now is the right time to finally let Rachel know that all he wants for Christmas...is her.

'A biography as sensuously satisfying as a fine French meal. Colette surely would have approved it as much for its aesthetic appeal as for its rare insight and scholarship.' Robyn Davidson Colette's France is the remarkable life story of an extraordinary woman, who was known simply as 'Colette'. This lavishly illustrated biography of the French writer, who was as famous for her novels as for her often controversial life, follows her journey through the landscapes of France where she lived and loved - from a childhood in Burgundy and coming of age in the Belle Époque Paris, to Provence and St Tropez. Jane Gilmour recounts the varied lives of a sensual, artistic, rebellious woman who lived life on her own terms, from prodigious writer and journalist, risqué performer, lover and seducer, businesswoman, baroness, mother, and finally, grand old lady of letters. Dr Jane Gilmour is an Australian with a personal passion and extensive knowledge of Colette and her life. Jane lived in France for many years where she studied the writer at the Sorbonne and completed her thesis on the writer there. Jane has continued her passion for her subject frequently returning to France to write this book and to visit the regions where Colette lived, loved and worked.
