Labor Relations Reporter

State of California Comprehensive Financial and Compliance Audit Report, Year Ended

The purpose of the federal Family and Medical Leave Act (FMLA) is to help employees balance the demands of work and family. But the law can be hard for employers to apply in the real world. Questions about eligibility, coverage, notice and certification requirements, administering leave, continuing benefits, and reinstatement can challenge even the most experienced managers. This book has the plain-English answers to all of your tough questions about the FMLA. It provides detailed information, real-life examples, sample forms, and other tools to help you meet your legal obligations. The 5th edition covers all the latest updates on the FMLA, including rules for same-sex couples, new cases explaining the application of the FMLA, state paid family leave laws, and more.

Journal of Proceedings, Annual Session of the Board of Supervisors of Fulton County

Now in a fifth edition, *Accounting Policies and Procedures Manual: A Blueprint for Running an Effective and Efficient Department* is a how-to guide on creating an effective and efficient accounting department policies and procedures manual. Written by Steven Bragg, the foremost authority in accounting and controllership issues, the new edition includes: A new, complimentary Web site providing readers with the foundation for creating or enhancing their accounting department policies and procedures manual More coverage of accounting procedures including inventory, billing, cash receipts, pricing, order entry, credit, collections, sales returns, capital budgeting, cash forecasting, payroll, and closing the books *Accounting Policies and Procedures Manual* is the tool every accounting department needs to regularize and systematize its procedures to match the best in the industry.

Medicare and Medicaid Guide, Transfer Binder

Studies in Business Policy

With step-by-step tutorials, this book trains readers to build and maintain a Web server based on the forthcoming version of Windows NT. It is a highly readable guide to the complex and often confusing process of setting up a Commercial World Wide Web site.

Moody's Transportation Manual

A complete and updated commentary on the Code of Canon Law prepared by the leading canonists of North America and Europe. Contains the full, newly translated text of the Code itself as well as detailed commentaries by thirty-six scholars commissioned by the Canon Law Society of America.

Freedom, Inc

Mastering Microsoft Internet Information Server

For new students of accounting, entry-level accounting professionals, and business professionals whose own work relates directly to the numbers on the ledger, this text provides a basic understanding of core accounting functions.

West's New York Digest

Accounting Demystified

Financial Reporting & Analysis (FR&A) by Revsine/Collins/Johnson/Mittelstaedt

emphasizes both the process of financial reporting and the analysis of financial statements. This book employs a true "user" perspective by discussing the contracting and decision implications of accounting and this helps readers understand why accounting choices matter and to whom. Revsine, Collins, Johnson, and Mittelstaedt train their readers to be good financial detectives, able to read, use, and interpret the statements and-most importantly understand how and why managers can utilize the flexibility in GAAP to manipulate the numbers for their own purposes.

Accounting Policies and Procedures Manual

Developed through 20 years of experience in auditing practice for clients in a broad spectrum of industries and up-to-date through SAS-112, the CPA's Guide to Management Letter Comments provides literally hundreds of management comment examples for numerous situations that are encountered by real firms working with real clients. Beginning with an example of the actual opening paragraph of a management letter, this compendium continues through all critical areas encountered during an audit and ends with suggested closing paragraphs so that even a first-time management letter preparer can produce a high-quality final product like a well-seasoned auditor.

The Unique Manual and National Underwriter Life Reports

Includes sections "Decisions of National Labor Relations Board" and "Court decisions on the law of labor relations."

The Smoke-free Workplace

Praise for Fast Close: A Guide to Closing the Books Quickly "Steve captures the essence of the problems affecting the financial close process within corporations of all sizes; from the period close of subledgers and general ledger through financial reporting, and the relationship and interdependencies of governance, people and technology. A must-read for the corporate controller." —David Taylor, ACMA, MBA, VP Strategy, Trintech Inc. "Fast Close: A Guide to Closing the Books Quickly, Second Edition is a must-read for today's busy controllers. Steven Bragg points out everything that can be done outside the close that you just never realized didn't actually have to be part of the month-end close process! Very commonsensical approach!" —Kathleen Schneibel, mba, cpa, Controller/CFO for Hire, KMAS Consulting LLC "A well-executed 'fast close' can bring many valuable benefits to any company, from improving organizational performance to transforming

accounting executives from financial historians to trusted advisors. In *Fast Close, Second Edition*, Steve systematically breaks down the steps required to achieve a fast close in both public and private companies, providing financial executives with tips, checklists, and a cost-effective road map to implement fast close procedures in virtually any company." —Matthew Posta, Esq., CPA, Vice President of Finance, Key Air, LLC FROM THE FIRST EDITION "This is an outstanding book in which Steve reveals his secrets to a fast close. Having personally experienced his (one-day) fast close for years and enjoyed the beneficial impact on my company, I highly recommend this book for all financial officers who desire to have a large, favorable impact on their company." —Richard V. Souders, President and CEO, Kaba Workforce Solutions

Current

The Essential Guide to Family & Medical Leave

The 2008 Cumulative Supplement contains the following updates: Discussion of expected commercial value has been added to Chapter 22, since it is an integral part of the decision to expend funds on a research and development project. Given the large proportion of service-related businesses in the economy, we have added a new section to Chapter 23, in which we outline how to conduct profitability analysis for services. We have added substantially to Chapter 25, where we prioritize a number of techniques for improving the efficiency of the payroll process. These improvements cover the areas of timekeeping, self-service portals, the reduction of employee deductions, payroll payments, outsourcing, the use of a captive insurance company to reduce the cost of benefits, and management of the payroll department. In Chapter 26, we have added a discussion of the bullwhip effect on the cash forecast, as well as how it can be mitigated to achieve more accurate cash forecasts. Chapter 27, which covers the planning and control of receivables, has been substantially bolstered with new information about credit policies and procedures, the review and processing of credit applications, granting credit, credit insurance, creating and delivering invoices, collecting cash, and managing the credit and collections staff. Chapter 28, which covers the planning and control of inventory, has been enhanced in a similar manner. It now includes in-depth discussions of the best ways to conduct inventory purchasing, receiving, storage, picking, and shipping.

Labor Relations Reference Manual

Vols. 9-17 include decisions of the War Labor Board.

Final Report

The 2003 Cumulative Supplement (ISBN 0-471-25009-0) includes: * Appendix A (Interest Tables), provides tables for simple interest, compound interest (two types), present value of an ordinary annuity, and the future amount of an ordinary annuity along with the underlying formulas used to construct the tables The supplement also revises some chapters from the previous supplement: * Chapter 4 (Standard Setting Organizations and Their Rules) describes the various entities that have promulgated GAAP over the years (such as the Committee on Accounting Procedure, the Accounting Principles Board, and the Financial Accounting Standards Board). * Chapter 26A (Shared Services) describes the types of processes that can be favorably impacted by the shared services concept, notes how they should be organized and situated, and delves into the key drivers behind successful implementations of shared services. * Chapter 38 (The Securities and Exchange Commission: Its Structure and Reporting Requirements) explains how the SEC is structured and operates, as well as its key regulations. It also provides descriptions of its EDGAR on-line reporting system and a variety of legislation that forms the foundation for its operational authorization. The supplement updates the core volume, Willson/Controllorship: The Work of the Managerial Accountant, Sixth Edition (ISBN 0-471-32618-6).

New Commentary on the Code of Canon Law

This volume discusses the Americans with Disabilities Act (ADA) and the rights it guarantees to those with disabilities including employment, transportation, public accommodations, government services, telecommunications, and access to public marketplaces. Also covers legislative provisions which are not part of the ADA. The Legal Almanac series serves to educate the general public on a variety of legal issues pertinent to everyday life and to keep readers informed of their rights and remedies under the law. Each volume in the series presents an explanation of a specific legal issue in simple, clearly written text, making the Almanac a concise and perfect desktop reference tool. All volumes provide state-by-state coverage. Selected state statutes are included, as are important case law and legislation, charts and tables for comparison.
