

book in the Echo Falls mystery series by bestselling crime novelist Peter Abrahams. Perfect for middle school readers looking for a good mystery. Welcome to Echo Falls, home of a thousand secrets. In *Down the Rabbit Hole*, eighth grader Ingrid Levin-Hill is in the wrong place at the wrong time. Or at least her shoes are. And getting them back will mean getting tangled up in a murder investigation as complicated as the mysteries solved by her idol, Sherlock Holmes. With soccer practice, schoolwork, and the lead role in her town's production of *Alice in Wonderland*, Ingrid is swamped. But as things in Echo Falls keep getting curiouser and curiouser, Ingrid realizes she must solve the murder on her own—before it's too late. "Deft use of literary allusions and ironic humor add further touches of class to a topnotch mystery," said *School Library Journal*. "Intriguing twists." *Publishers Weekly* agreed: "The fresh dialogue and believable small-town setting will tempt fans to visit Echo Falls again." The next book in this Edgar Award-nominated series is *Behind the Curtain*, followed by *Into the Dark*.

## **The Blue Notebook**

### **I Am Bliss**

Imagine what might happen to the innocent young Jane, raised in a parsonage by her ecclesiastic uncle following the death of her parents. Fresh out of a cloistered existence, she is hired to be a secretary in an employment agency, but she soon discovers that the "agency" is nothing less than a wild bordello.

## **Oric Atmos and Oric 1 Graphics and Machine Code Techniques**

Though sexuality is an important subject matter that should be taught in homes and in the church, it has been neglected and treated as inconsequential. Young and old alike look at sex as a taboo. The church and the home should be the most appropriate forums where sexuality could be openly discussed, but to the contrary, the message we have received from the church and the home is that sex is unholy and shouldn't be discussed. These key institutions have little or nothing to discuss about sex. This is especially tragic because the believers who have faith in God, who created sex and established its proper parameters, should be able to speak more intelligibly and confidently about sex than anyone else. Yet the community of believers is silent in the public forum in matters relating to sexuality whether because of embarrassment, confusion, timidity or a sense that the subject of sex is either too personal or not sufficiently "spiritual" for church to address publicly. Mr. Ng'ang'a has addressed this subject openly and with ardent scriptural instruction. *Understanding Human Sexuality* is helpful to married couples and curious young people who have many questions about sex. It is also an instruction manual for parents in guiding their curious children on the subject.

## **The Big Read**

Penny Hoppe isn't having much fun in middle school, but now her luck might be changing: her new necklace is a mind reader! Whenever she wears it, Penny can hear the thoughts of those around her -- and their innermost secrets. Can she use her new power to finally fit in? Or will she uncover more than she bargained for?

'No one ever sees me write. One of the triumphs of fiction is that it is created in the dark. It leaves my house in a plain wrapper, with no bloodstains. Unlike me, my stories are whole and indestructible.' In *The Collected Stories*, Paul Theroux's canvas stretches from London to South-East Asia, from Boston to Paris, from Africa to Eastern Europe and from Moscow to the tropics in this vibrant collection. Full of suspense and the unexpected, these stories by the acclaimed author of *The Old Patagonian Express* and *Dark Star Safari* delve into the worlds of a vast spectrum of characters and display throughout a flair that shows Theroux to be a master of the form. Praise for Paul Theroux: 'A shimmering, kaleidoscopic and very entertaining collection' *Sunday Telegraph* 'You close the book feeling you have read a single big narrative rather than a series of short ones . . . As a short-story writer, he makes a terrific novelist' *Sunday Times* 'Theroux willingly explores the blighted territory of a failing marriage; the tangled jungle of a mad poet's secret anti-Semitism; the belated sexual guilt of a Hindu . . . A book of many and varied pleasures; to read it is to feel alert, curious, adventurous' *Observer* 'Paul Theroux's writing is impeccable and thoughtfully entertaining . . . his artistry is individual, serene, yet also grainy with fierce truths' *The Times* 'One needs energy to keep up with the extraordinary productive restlessness of Paul Theroux . . . [He is] the most gifted, most prodigal writer of his generation' Jonathan Raban Paul Theroux was born in Medford, Massachusetts in 1941 and published his first novel, *Waldo*, in 1967. His subsequent novels include *The Family Arsenal*, *Picture Palace*, *The Mosquito Coast*, *O-Zone*, *Millroy the Magician*, *My Secret History*, *My Other Life*, and, most recently, *A Dead Hand*. His highly acclaimed travel books include *Riding the Iron Rooster*, *The Great Railway Bazaar*, *The Old Patagonian Express*, *Fresh Air Fiend*, and *Ghost Train to the Eastern Star*. He divides his time between Cape Cod and the Hawaiian Islands.

## **The Secrets Necklace**

They can rule the half-pipe, but can they survive this? Jimmy, David, and Henry are psyched. It's summer, school's out, and they are on their way to California, where they will be able to do some major skating. But on the plane, the unthinkable happens: They are hijacked by terrorists. As frightened as they may be, they take action and they succeed. Sort of. They may have beaten the terrorists, but now their plane has crashed in the middle of nowhere and all of a sudden, their summer vacation is about finding food, shelter, and a rescue. Can three normal twelve-year-old boys find a way to get by without fast food and skate parks?

## **The Impossible Will Take a Little While**

After many trials and much adversity, the faeries have returned to their meadow home, but Lord Dunraven vows that they must not remain.

## **UNDERSTANDING HUMAN SEXUALITY**

In *The Impossible Will Take a Little While*, a phrase borrowed from Billie Holliday, the editor of *Soul of a Citizen* brings together fifty stories and essays that range across nations, eras, wars, and political movements. Danusha Goska, an Indiana activist with a paralyzing physical disability, writes about overcoming political immobilization, drawing on her history with the Peace Corps and Mother Teresa. Vaclav Havel, the former president of the Czech Republic, finds value in seemingly doomed or futile actions taken by oppressed peoples. Rosemarie Freeney Harding recalls the music that sustained the civil rights movement, and Paxus Calta-Star recounts the powerful vignette of an 18-year-old who launched the overthrow of Bulgaria's dictatorship. Many of the essays are new, others classic works that continue to inspire. Together, these writers explore a path of heartfelt community involvement that leads beyond despair to compassion and hope. The voices collected in *The Impossible Will Take a Little While* will help keep us all working for a better world despite the obstacles.

### **Notebook**

## **Why Remember the Fathers**

From basic concepts to research grade material, *Mobile Web 2.0: Developing and Delivering Services to Mobile Devices* provides complete and up-to-date coverage of the range of technical topics related to Mobile Web 2.0. It brings together the work of 51 pioneering experts from around the world who identify the major challenges in Mobile Web 2.0 applications and provide authoritative insight into many of their own innovations and advances in the field. To help you address contemporary challenges, the text details a conceptual framework that provides modeling facilities for context-aware, multi-channel Web applications. It compares various platforms for developing mobile services—from the developer and user perspectives—and explains how to use high-level modeling constructs to drive the application development process through automatic code generation. Proposes an expanded model of mobile application context Explores mobile social software as an Information and Communications Technology (ICT) Discusses the effect of context on mobile usability Through empirical study, the book tests a number of hypotheses on the use of software implementation technology and location context in mobile applications. It introduces Reusable End-User Customization (REUC)—a technique that allows users to adapt the layout of Web pages and automatically reapplies those preferences on subsequent visits. It also investigates the need for non-visual feedback with long system response times, particularly when downloading Web pages to mobile devices.

## **Project Leadership**
