Buckland's Complete Book of Witchcraft has influenced and guided countless students, coven initiates, and solitaries around the world. One of modern Wicca's most recommended books, this comprehensive text features a step-by-step course in Witchcraft, with photographs and illustrations, rituals, beliefs, history, and lore, as well as instruction in spellwork, divination, herbalism, healing, channeling, dreamwork, sabbats, esbats, covens, and solitary practice. The workbook format includes exam questions at the end of each lesson, so you can build a permanent record of your spiritual and magical training. This complete self-study course in modern Wicca is a treasured classic—an essential and trusted guide that belongs in every Witch's library. Praise: "A masterwork by one of the great Elders of the Craft. Raymond Buckland has presented a treasure trove of Wiccan lore. It is a legacy that will provide magic, beauty, and wisdom to future generations of those who seek the ancient paths of the Old Religion."—Ed Fitch, author of *Magical Rites from the Crystal Well* "I read Buckland's Complete Book of Witchcraft with much pleasure. This book contains enough information and know-how for all approaches: the historical, the philosophical, and the pragmatic . . . quite entertaining, as much for the armchair enthusiast as for the practicing occultist."—Marion Zimmer Bradley, author of *The Mists of Avalon* "Never in the history of the Craft has a single book educated as many people, spurred as many spiritual paths, or conjured as much personal possibility as Buckland's Complete Book of Witchcraft."—Dorothy Morrison, author of *The Craft*

Dr Knox reveals a lifetime of personal and professional experience in a very readable format with humor and insight in Love Thine Enemas and Heal Thyself. Enemas are simple, common treatments that are effective for many conditions. Most people, even though they may be embarrassed by the procedure, do not feel negatively about enemas. Having an enema administered is something that touches the emotions far deeper than other simple medical procedures. This is the only book ever written that explores and clarifies the feelings and emotions that accompany enemas and colonic irrigations. It explains the underlying reasons why some people love these treatments and others hate them. Love Thine Enemas and Heal Thyself explores the different directions the feelings about enemas can take. For example, did you know that enemas are usually loved by people with higher levels of education and social position, while they are hated by those with the lowest levels of education and social position? This book explores the psychological, sexual, spiritual and political aspects of enemas and colonic irrigations. Love Thine Enemas and Heal Thyself opens up feelings and thoughts never expressed in print before. Understanding feelings about enemas helps us understand our inner child and love that child. Understanding and loving ourselves, accepting our human condition, makes life more livable. Love Thine Enemas and Heal Thyself can be of immeasurable value to patients, people who have been patients and everyone dealing with patients, friends or family in this way. Buy it now.

This book is a spiritual memoir on the life and explorations of Anthony Prem Carlisi, as well as a source of practical, applicable information about the practices of Ashtanga Yoga, Ayurveda and Tantra. The synergy of these three sciences are what Prem believes to be the key to living a healthy, rooted and ecstatic life! The book is written in a down to earth way so that anyone can pick it up and enjoy it. He writes with an openness about the ups and downs of his experiences along the yogic path. Prem shares his wisdom, in a light, funny and simple manner, making these esoteric topics approachable for yogi's and householders. It is a candid inner look, spoken from the heart of a devoted, 30 year yoga practitioner.

Fasting is an effective and safe method of detoxifying the body it helps the body heal itself and stay well. Fasting can help reverse the aging process, and if we use it correctly we will live longer, happier lives. - James Balch, MD, Author, Prescription for Natural Healing Accepted as a classic cure for many medical and physical issues, as well as a key to good general health, Otto Buchinger's therapeutic fasting methods have attracted millions of followers and been in use for more than five decades. In Therapeutic Fasting, written by an internationally renowned authority on fasting (also, a member of the original Buchinger family), the details and methodology of this highly effective program are disclosed for a whole new generation of readers and clinicians. Special Features Offers easy-to-follow guidelines for implementing the original, acclaimed Buchinger method of therapeutic fasting, which is firmly rooted in concepts of medical sciences and physiology Enhanced by step-by-step instructions, how-to tips, clear explanations, full-color photographs, and compelling personal commentary by individuals who have experienced the program The author Franoise Wilhelmi de Toledo, MD, is an international authority on fasting and heads the well-known Buchinger clinics in Europe. Furthermore, she is married to Otto Buchinger's grandson Explores the far-reaching physical, spiritual, and psychological effects of fasting Shows how motivational techniques and physical exercises complement the program and lead to a strong sense of well-being, with examples of yoga, correct breathing, abdominal massage, and more Demonstrates how food is slowly and safely introduced after the fast, with more than 40 savory recipes that promote nutritional awareness in everyday life The only book on this topic available in English, Therapeutic Fasting: The Buchinger-Amplius Method will enable all readers to learn patterns of healthy behavior, practice them with professional guidance, and integrate them into a balanced, healthy lifestyle. It is a fascinating reference for general practitioners, nutritionists, and informed lay people who want to learn more about the powerful combination of therapeutic fasting, supporting scientific medical principles, and natural healing concepts.

A complete concordance to the holy Scriptures. To which is added, a sketch of the life and character of the author

The 30-Day Water Enema Therapy book is going to be your best friend to keep you healthy. A daily water enema continuously for 30 days is the most powerful way to prevent and cure disease. Ayurveda believes that the root cause of most diseases is unhealthy gut and keeping it healthy can be a matter of life or death. Water enema is the only way to wash the most toxic part of the digestive system. The therapeutic health benefits of water enema make it an important part of the world's oldest Indian traditional health care system known as "Ayurveda". There are many diseases which are difficult to cure. Medicine can or cannot cure the disease due to their limited effect and many times they are ineffective. The human body knows the self-healing process and we only need to provide the right environment to make it happen. After applying water enema therapy on many patients and on myself for 4 years, I have been able to develop a complete treatment that can prevent and cure diseases. It is divided into two parts. The first part helps to prevent the disease and its progress, and the second part helps to cure the disease. There are important and different steps to be followed for the success of the therapy. These steps involve the use of water enema, a unique type of fasting and diet which are essential for detoxing and healing the body from inside to prevent & cure the diseases. This is a unique therapy which can be used independently or in combination with any medical system to cure any disease. This book provides thorough knowledge and understanding to do this therapy yourself for your health and wellbeing. It provides complete and detailed information in a step-by-step manner about this therapy for health professionals, students, and patients. This 30-Day Water Enema Therapy is simple, safe, and easy to perform at home. This book provides complete and detailed information about 30 days water enema: and role of colon in health and disease, to cure the very first sign of digestive issue, to cure any disease, to remove toxins from our body, to kill and remove intestinal parasites, to use herbal medicines for quick healing, to reestablish the intestinal gut flora and heal the intestinal wall to regain its normal bowel movements in 30 days, to get rid of unnecessary medications and to overcome food addictions, to know about the side effects and myths linked to it, to know the unique method of fasting & taking diet to cure and prevent the diseases, FAQs to answer the common questions that are important to know for better understanding of the treatment.
