performance where the audience participates in the show, are over. But this year, Scarlett's long-dreamt of invitation finally arrives. With the help of a mysterious sailor, Tella whisks Scarlett away to the show. Only, as soon as they arrive, Tella is kidnapped by Caraval's mastermind organizer, Legend. It turns out that this season's Caraval revolves around Tella, and whoever finds her first is the winner. Scarlett has been told that everything that happens during Caraval is only an elaborate performance. But she nevertheless becomes enmeshed in a game of love, heartbreak, and magic with the other players in the game. And whether Caraval is real or not, she must find Tella before the five nights of the game are over, a dangerous domino effect of consequences is set off, and her sister disappears forever.

Weekly (A-) Charles and Lily, James and Nan. They meet in Greenwich Village in 1963 when Charles and James are jointly hired to steward the historic Third Presbyterian Church through turbulent times. Their personal differences however, threaten to tear them apart. Charles is destined to succeed his father as an esteemed professor of history at Harvard, until an unorthodox lecture about faith leads him to ministry. How then, can he fall in love with Lily—fiercely intellectual, elegantly stern—after she tells him with certainty that she will never believe in God? And yet, how can he not? James, the youngest son in a hardscrabble Chicago family, spent much of his youth angry at his alcoholic father and avoiding his anxious mother. Nan grew up in Mississippi, the devout and beloved daughter of a minister and a debutante. James's escape from his desperate circumstances leads him to Nan and, despite his skepticism of hope in all its forms, her gentle, constant faith changes the course of his life. In *The Dearly Beloved*, we follow these two couples through decades of love and friendship, jealousy and understanding, forgiveness and commitment. Against the backdrop of turbulent changes facing the city and the church's congregation, these four forge improbable paths through their evolving relationships, each struggling with uncertainty, heartbreak, and joy. A poignant meditation on faith and reason, marriage and children, and the ways we find meaning in our lives, Cara Wall's *The Dearly Beloved* is a gorgeous, wise, and provocative novel that is destined to become a classic.

From the woman who has built an empire of badass female entrepreneurs comes the long-awaited sequel to *Girl Code*. Cara Alwill Leyba's riveting voice and kinship with her audience drove the self-published success of *Girl Code*, a book that encouraged women to support each other in the business community. Now her many fans are ready to take the next step: building sustainable confidence from the ground up. Most women who are insecure look for the equivalent of a sugar rush, such as telling themselves they're better than other people or changing the way they look. But those tricks won't protect them from losing confidence in the future. Neither will simply being outspoken and aggressive, if those traits aren't authentic. Leyba has three simple but provocative arguments. First, confidence doesn't come from "winning" -- it comes from ignoring the success narratives we absorb from magazines and movies. Second, the impressions people make on others depend on their personalities, not their looks--so there's no reason to use the word "ugly," ever. Finally, the foundation of confidence comes from "audacious auditing," Leyba's term for identifying toxic people and habits and getting rid of them. Written in her chatty, older-sister voice, and full of revealing stories from every stage of Cara's life, *Like She Owns The Place* will help readers rewire their minds to be more
