### Art of the Cut

### Arabs

An intimate memoir by the controversial and outspoken Oscar-winning director and screenwriter about his complicated New York childhood, volunteering for combat, and his struggles and triumphs making such films as Platoon, Midnight Express, and Scarface. Before the international success of Platoon in 1986, Oliver Stone had been wounded as an infantryman in Vietnam, and spent years writing unproduced scripts while driving taxis in New York, finally venturing westward to Los Angeles and a new life. Stone, now 73, recounts those formative years with in-the-moment details of the high and low moments: We see meetings with Al Pacino over Stone's scripts for Scarface, Platoon, and Born on the Fourth of July; the harrowing demon of cocaine addiction following the failure of his first feature, The Hand (starring Michael Caine); his risky on-the-ground research of Miami drug cartels for Scarface; his stormy relationship with The Deer Hunter director Michael Cimino; the breathless hustles to finance the acclaimed and divisive Salvador; and tensions behind the scenes of his first Academy Award-winning film, Midnight Express. Chasing the Light is a true insider's look at Hollywood's years of upheaval in the 1970s and '80s.

### Reconciliation and Architectures of Commitment

Proven techniques for songwriting success This friendly, hands-on guide tackles the new face of the recording industry, guiding you through the shift from traditional sales to downloads and mobile music, as well as how you can harness social

media networks to get your music "out there." You get basic songwriting concepts, insider tips and advice, and inspiration for writing — and selling — meaningful, timeless songs. Songwriting 101 — get a grip on everything you need to know to write a song, from learning to listen to your "inner voice" to creating a "mood" and everything in between Jaunt around the genres — discover the variety of musical genres and find your fit, whether it's rock, pop, R&B, gospel, country, or more Let the lyrics out — master the art of writing lyrics, from finding your own voice to penning the actual words to using hooks, verses, choruses, and bridges Make beautiful music — find your rhythm, make melodies, and use chords to put the finishing touches on your song Work the Web — harness online marketing and social networks like Facebook, Twitter, and others to get your music heard by a whole new audience Open the book and find: What you need to know before you write a single note Tips on finding inspiration Ways to use poetic devices in lyrics Computer and Web-based shortcuts and technologies to streamline songwriting A look at famous songwriting collaborators Writing for stage, screen, and television How to make a demo to get your song heard Advice on how to make money from your music Songwriting For Dummies, 2nd Edition (9781119675655) was previously published as Songwriting For Dummies, 2nd Edition (9780470615140). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product.

### **Milo Talon**

From Vogue contributor and Guardian columnist Hadley Freeman, a personalized guide to eighties movies that describes why they changed movie-making forever—featuring exclusive interviews with the producers, directors, writers and stars of the best cult classics. For Hadley Freeman, movies of the 1980s have simply got it all. Comedy in Three Men and a Baby, Hannah and Her Sisters, Ghostbusters, and Back to the Future; all a teenager needs to know in Pretty in Pink, Ferris Bueller's Day Off, Say Anything, The Breakfast Club, and Mystic Pizza; the ultimate in action from Top Gun, Die Hard, Beverly Hills Cop, and Indiana Jones and the Temple of Doom; love and sex in 9 1/2 Weeks, Splash, About Last Night, The Big Chill, and Bull Durham; and family fun in The Little Mermaid, ET, Big, Parenthood, and Lean On Me. In Life Moves Pretty Fast, Hadley puts her obsessive movie geekery to good use, detailing the decade's key players, genres, and tropes. She looks back on a cinematic world in which bankers are invariably evil, where children are always wiser than adults, where science is embraced with an intense enthusiasm, and the future viewed with giddy excitement. And, she considers how the changes between movies then and movies today say so much about society's changing expectations of women, young people, and art—and explains why Pretty in Pink should be put on school syllabuses immediately. From how John Hughes discovered Molly Ringwald, to how the friendship between Dan Aykroyd and John Belushi influenced the evolution of comedy, and how Eddie Murphy made America believe that race can be transcended, this is a "highly personal, witty love letter to eighties movies, but also an intellectually vigorous, well-researched take on the changing times of the film industry" (The Guardian).

## **Our Day Out**

Elmer Gantry is a novel that presents aspects of the religious activity of America in fundamentalist and evangelistic circles and the attitudes of the 1920s public toward it. The novel's protagonist, the Reverend Dr. Elmer Gantry, is initially attracted by booze and easy money (though he eventually renounces tobacco and alcohol) and chasing women. After various forays into evangelism, he becomes a successful Methodist minister despite his hypocrisy and serial sexual indiscretions.

## **So, You Want to Be a Dancer?**

A Long Time Ago in a Cutting Room Far, Far Away provides a behind-the-scenes look at some of the most influential films of the last fifty years as seen through the eyes of Paul Hirsch, the Oscar-winning film editor who worked on such classics as George Lucas's Star Wars and The Empire Strikes Back, Brian De Palma's Carrie and Mission: Impossible, Herbert Ross's Footloose and Steel Magnolias, John Hughes's Ferris Bueller's Day Off and Planes, Trains & Automobiles, Joel Schumacher's Falling Down, and Taylor Hackford's Ray. Hirsch breaks down his career movie by movie, offering a riveting look at the decisions that went into creating some of cinema's most iconic scenes. He also provides behind-the-scenes insight into casting, directing, and scoring and intimate portraits of directors, producers, composers, and stars. Part film school primer, part paean to legendary filmmakers and professionals, this funny and insightful book will entertain and inform aficionados and casual moviegoers alike.

## **Destabilizing the Hollywood Musical**

Thinking Literature across Continents finds Ranjan Ghosh and J. Hillis Miller—two thinkers from different continents, cultures, training, and critical perspectives—debating and reflecting upon what literature is and why it matters. Ghosh and Miller do not attempt to formulate a joint theory of literature; rather, they allow their different backgrounds and lively disagreements to stimulate generative dialogue on poetry, world literature, pedagogy, and the ethics of literature. Addressing a varied literary context ranging from Victorian literature, Chinese literary criticism and philosophy, and continental philosophy to Sanskrit poetics and modern European literature, Ghosh offers a transnational theory of literature while Miller emphasizes the need to account for what a text says and how it says it. Thinking Literature across Continents highlights two minds continually discovering new paths of communication and two literary and cultural traditions intersecting in productive and compelling ways.

## **The Lion, the Witch and the Wardrobe (picture book edition)**

In this classic of children's literature, beloved by generations of readers and listeners, the quiet poetry of the words and the gentle, lulling illustrations combine to make a perfect book for the end of the day. In a great green room, tucked away in bed, is a little bunny. "Goodnight room, goodnight moon." And to all the familiar things in the softly lit room—to the picture of the three little bears sitting on chairs, to the clocks and his socks, to the mittens and the kittens, to everything one by one—the little bunny says goodnight. One of the most beloved books of all time, Goodnight Moon is a must for every bookshelf and a time-honored gift for baby showers and other special events.

### **Musical Comedy in America**

Have a rockin' time introducing children to Footloose, rewritten for children by the one and only Kenny Loggins himself. Time to cut loose! Have a rockin' time introducing children to the fun of Footloose, rewritten for children by the one and only Kenny Loggins. As a zookeeper named Jack joins the zoo animals in an all-night dance party, this new original story from Loggins is sure to get your feet moving. Little ones will love the cast of characters, including the rockin' chimp Louise ("Geez, Louise"), Mister DJ Elephant, the lemur Marie ("Oo Wee, Marie"), Milo the wombat, Luke the funkiest cat in the zoo, and so many more rocking, bopping, boogeying, tangoing, shaking, rattling and rolling animals!

### **Into the Wild**

Winner of more Hugo and Nebula Awards than any other science fiction author, Connie Willis is one of the most powerfully imaginative writers of our time. In *Remake*, she explores the timeless themes of emotion and technology, reality and illusion, and the bittersweet place where they intersect to make art. It's the Hollywood of the future, where moviemaking's been computerized and live-action films are a thing of the past. It's a Hollywood where Humphrey Bogart and Marilyn Monroe are starring together in *A Star Is Born*, and if you don't like the ending, you can change it with the stroke of a key. A Hollywood of warmbodies and sim-sex, of drugs and special effects, where anything is possible. Except for what one starry-eyed young woman wants to do: dance in the movies. It's an impossible dream, but Alis is not willing to give up. With a little magic and a lot of luck, she just might get her happy ending after all.

### **Breath of Gold**

The Golden Age of American Musical Theatre provides synopses, cast and production credits, song titles, and other pertinent information for over 180 musicals from *Oklahoma!* to *On A Clear Day You Can See Forever*. Concentrating on a 22-year span, this book lists both commercial successes and flops of the Golden Age—when the musicals presented on Broadway showcased timeless, memorable tunes, sophisticated comedy, and the genius of creative artists like Richard

Rodgers, Oscar Hammerstein, Jerome Robbins, Leonard Bernstein, George Abbott, Moss Hart, Angela Lansbury, Robert Preston, and many others.

## **Goodnight Moon**

Narnia: A magical land full of wonder and excitement. A place where you will meet Aslan, the bravest of lions, and a beautiful but wicked Witch. There are lots of other fabulous creatures too: giants and dwarfs and animals that talk. It all begins when four children -- Peter, Susan, Edmund, and Lucy -- discover a strange old wardrobe. Stepping inside, they find that it's stranger still, because behind all the fur coats there is a wondrous land of trees and mountains, all glistening with snow. The White Witch has spread an icy winter everywhere. Only Aslan can defeat her and reverse her wicked spell. The children must find the lion before it is too late. If they fail, the Witch will make them her prisoners forever. In the fifty years since it was written, *The Lion, the Witch And the Wardrobe* has become one of the great classics of children's literature. Now younger children can share the magical experience, stepping into a world of enchantment that will forever lure them back.

## **Chasing the Light**

With the rise of web 2.0 and social media platforms taking over vast tracts of territory on the internet, the media landscape has shifted drastically in the past 20 years, transforming previously stable relationships between media creators and consumers. *The Social Media Reader* is the first collection to address the collective transformation with pieces on social media, peer production, copyright politics, and other aspects of contemporary internet culture from all the major thinkers in the field. Culling a broad range and incorporating different styles of scholarship from foundational pieces and published articles to unpublished pieces, journalistic accounts, personal narratives from blogs, and whitepapers, *The Social Media Reader* promises to be an essential text, with contributions from Lawrence Lessig, Henry Jenkins, Clay Shirky, Tim O'Reilly, Chris Anderson, Yochai Benkler, danah boyd, and Fred von Loehmann, to name a few. It covers a wide-ranging topical terrain, much like the internet itself, with particular emphasis on collaboration and sharing, the politics of social media and social networking, Free Culture and copyright politics, and labor and ownership. Theorizing new models of collaboration, identity, commerce, copyright, ownership, and labor, these essays outline possibilities for cultural democracy that arise when the formerly passive audience becomes active cultural creators, while warning of the dystopian potential of new forms of surveillance and control.

## **Science and Technology in World History**

A study in the collision between Western medicine and the beliefs of a traditional culture focuses on a hospitalized child of Laotian immigrants whose belief that illness is a spiritual matter comes into conflict with doctors' methods.

## 26 Pebbles

In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. His name was Christopher Johnson McCandless. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. Digging deeply, he takes an inherently compelling mystery and unravels the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page. From the Trade Paperback edition.

## No Logo

Milo Talon knew the territory and the good men from the bad. He had ridden the Outlaw Trail and could find out things others couldn't. That was why a rich man named Jefferson Henry hired Milo to hunt down a missing girl. But from the moment Milo began his search, he knew something wasn't right. Three people had already died, an innocent woman was on the run, and a once sleepy town was getting crowded with hired guns. Suddenly, Milo Talon realized that there were still things he had to learn—about the woman he was trying to find, the man who had hired him, and the murderer who wanted

him dead. But most of all, Milo had a few things to learn about himself. And he would have to work fast, because one mistake could cost him his life.... From the Paperback edition.

## **Retromania**

'from time to time a study comes along that truly can be called 'path breaking,' 'seminal,' 'essential,' a 'must read.' How the Irish Became White is such a study.' John Bracey, W.E.B. Du Bois Department of Afro-American Studies, University of Massachusetts, Amherst The Irish came to America in the eighteenth century, fleeing a homeland under foreign occupation and a caste system that regarded them as the lowest form of humanity. In the new country - a land of opportunity - they found a very different form of social hierarchy, one that was based on the color of a person's skin. Noel Ignatiev's 1995 book - the first published work of one of America's leading and most controversial historians - tells the story of how the oppressed became the oppressors; how the new Irish immigrants achieved acceptance among an initially hostile population only by proving that they could be more brutal in their oppression of African Americans than the nativists. This is the story of How the Irish Became White.

## **Primetime Propaganda**

When Ren moves from the city to the tiny town of Bomont, he has a culture shock when he learns that dancing and rock music are outlawed, but he hopes to change that situation, and win the attention of the wild daughter of the local reverend in the process.

## **The Onion Book of Known Knowledge**

Following a bloody civil war, peace consolidated slowly and sequentially in Bougainville. That sequence was of both a top-down architecture of credible commitment in a formal peace process and layer upon layer of bottom-up reconciliation. Reconciliation was based on indigenous traditions of peacemaking. It also drew on Christian traditions of reconciliation, on training in restorative justice principles and on innovation in womens' peacebuilding. Peacekeepers opened safe spaces for reconciliation, but it was locals who shaped and owned the peace. There is much to learn from this distinctively indigenous peace architecture. It is a far cry from the norms of a 'liberal peace' or a 'realist peace'. The authors describe it as a hybrid 'restorative peace' in which 'mothers of the land' and then male combatants linked arms in creative ways. A danger to Bougainville's peace is weakness of international commitment to honour the result of a forthcoming independence referendum that is one central plank of the peace deal.

## **A Long Time Ago in a Cutting Room Far, Far Away**

From the provocative and hilarious EGOT winner, bestselling author, and host of The View, Whoopi Goldberg, comes the perfect antidote to all those outdated relationship advice books in the world, weighing in on why marriage isn't for everybody, and how the life you want shouldn't be the life everyone else expects you to have. Whoopi Goldberg has been an electrifying, envelope-pushing public figure of many stripes: acclaimed actor, comedienne, singer, songwriter, author, political activist and talk show host. Now, Whoopi will speak openly about why marriage isn't for everyone, how being alone can be satisfying, and how what's most important is understanding who you are and what makes you happy. Wise, funny, and conversation-starting, Whoopi's message is sure to resonate with the millions of people who struggle with relationships every day. Goldberg says: "I get to hear from a lot of different people about relationships and this got me trying to figure out why the divorce rate is SO high. It occurred to me that as one who has done it badly often, I might have some insight. It's hard to really know the other person's agenda, but if someone says 'you complete me' RUN!!!"

## **The Big One-Oh**

Cherie was a chanteuse. She said, "I call m'self Cherie. Thass all the name ya need -- like Hidegarde. I won a amateur contest down in Joplin, Missouri, and that got me a job in a night club in Kanz City. But working in a night club ain't all roses" Bo Decker had his picture taken by Life magazine because he was a champion professional rodeo rider. Bo had heard about women only he'd hardly ever seen one. Bo was a large, beautiful hunk of man -- but green as new grass when it came to Cherie. Bo and Cherie got together when they were stranded at a bus stop one night. Their story is one of high humor -- a mixture of brag, heartache, bluster, and the funniest tough love affair ever put on stage, screen, or between the covers of a book. It is filled with comedy, compassion and tenderness.

## **How the Irish Became White**

Art of the Cut provides an unprecedented look at the art and technique of contemporary film and television editing. It is a fascinating "virtual roundtable discussion" with more than 50 of the top editors from around the globe. Included in the discussion are the winners of more than a dozen Oscars for Best Editing and the nominees of more than forty, plus numerous Emmy winners and nominees. Together they have over a thousand years of editing experience and have edited more than a thousand movies and TV shows. Hullfish carefully curated over a hundred hours of interviews, organizing them into topics critical to editors everywhere, generating an extended conversation among colleagues. The discussions provide a broad spectrum of opinions that illustrate both similarities and differences in techniques and artistic approaches. Topics include rhythm, pacing, structure, storytelling and collaboration. Interviewees include Margaret Sixel (Mad Max: Fury Road),

Tom Cross (Whiplash, La La Land), Pietro Scalia (The Martian, JFK), Stephen Mirrione (The Revenant), Ann Coates (Lawrence of Arabia, Murder on the Orient Express), Joe Walker (12 Years a Slave, Sicario), Kelley Dixon (Breaking Bad, The Walking Dead), and many more. Art of the Cut also includes in-line definitions of editing terminology, with a full glossary and five supplemental web chapters hosted online at [www.routledge.com/cw/Hullfish](http://www.routledge.com/cw/Hullfish). This book is a treasure trove of valuable tradecraft for aspiring editors and a prized resource for high-level working professionals. The book's accessible language and great behind-the-scenes insight makes it a fascinating glimpse into the art of filmmaking for all fans of cinema.

### **The Sun & The Moon & The Rolling Stones**

Mrs Kay's 'Progress Class' are unleashed for a day's coach trip to Conway Castle in Wales - in an exuberant celebration of the joys and agonies of growing up and being footloose, fourteen and free from school. 'The skill and zest of the show . . . derive from its success in following the adult argument through while preserving all the fun of a story mainly played by children . . . I have rarely seen a show that combined such warmth and such bleakness.' The Times This edition contains the music to the play.

### **I Am Ozzy**

Covers almost 3,000 years of Arab history and shines a light on the footloose Arab peoples and tribes who conquered lands and disseminated their language and culture over vast distances. Reveals how linguistic developments - from pre-Islamic poetry to the growth of script, Muhammad's use of writing, and the later problems of printing Arabic - have helped and hindered the progress of Arab history

### **Thinking Literature across Continents**

A study of the people and plays of America's popular theater from 1864 to 1950

### **Bus Stop**

A gritty, one-of-a-kind backstage account of the world's greatest touring band, from the opinionated music journalist who was along for the ride as a young reporter for Rolling Stone in the 1990s ONE OF THE TOP FIVE ROCK BIOGRAPHIES OF THE YEAR—SAN FRANCISCO CHRONICLE ONE OF THE BEST BOOKS OF THE YEAR—KIRKUS REVIEWS A book inspired by a lifelong appreciation of the music that borders on obsession, Rich Cohen's fresh and galvanizing narrative history of the Rolling Stones begins with the fateful meeting of Mick Jagger and Keith Richards on a train platform in 1961—and goes on to span

decades, with a focus on the golden run—from the albums *Beggars Banquet* (1968) to *Exile on Main Street* (1972)—when the Stones were at the height of their powers. Cohen is equally as good on the low points as the highs, and he puts his finger on the moments that not only defined the Stones as gifted musicians schooled in the blues, but as the avatars of so much in our modern culture. In the end, though, after the drugs and the girlfriends and the bitter disputes, there is the music—which will define, once and forever, why the Stones will always matter. Praise for *The Sun & The Moon & The Rolling Stones* “Fabulous . . . The research is meticulous. . . . Cohen’s own interviews even yield some new Stones lore.”—*The Wall Street Journal* “[Cohen] can catch the way a record can seem to remake the world [and] how songs make a world you can’t escape.”—*Pitchfork* “No one can tell this story, wringing new life even from the leathery faces of mummies like the Rolling Stones, like Rich Cohen. . . . The book beautifully details the very meaning of rock ‘n’ roll.”—*New York Observer* “Masterful . . . Hundreds of books have been written about this particular band and [Cohen’s] will rank among the very best of the bunch.”—*Chicago Tribune* “Cohen, who has shown time and time again he can take any history lesson and make it personal and interesting . . . somehow tells the [Stones’] story in a whole different way. This might be the best music book of 2016.”—*Men’s Journal* “[Cohen’s] account of the band’s rise from ‘footloose’ kids to ‘old, clean, prosperous’ stars is, like the Stones, irresistible.”—*People* “You will, as with the best music bios, want to follow along on vinyl.”—*The Washington Post* “A fresh take on dusty topics like Altamont and the Stones’ relationship with the Beatles . . . Cohen takes pilgrimages to places like Nellcôte, the French mansion where the Stones made *Exile on Main Street*, and recounts fascinating moments from his time on tour.”—*Rolling Stone* “On the short list of worthwhile books about the Stones . . . The book is stuffed with insights.”—*San Francisco Chronicle*

### **Life Moves Pretty Fast**

I hate his guts and now we're engaged! How did this happen? Christina "Okay, yeah I know revenge isn't right but come on, it's the dirty rat from high school and he doesn't even recognize me! I don't care if he's billionaire rich or that he's even so super sexy. He's going down because I've got the perfect plan to get even. What can go wrong?" Bill "Man, she's smoking hot and so adorable! There's just something about her that attracts me like gravity. Okay, yeah maybe I shouldn't be blackmailing her into pretending to be my fiancée to fool my stubborn, moneybags father but she's perfect! And my plan is perfect too! What can go wrong?" William "You give your children everything and what do you get in return? Disappointment & heartburn! If my dirty, rotten son and the girl think they can fool me with their phony scam, they've got another thing coming. I'm going to turn the tables on them and pressure the scheming duo to marry for real! That'll teach them! My plan is perfect. What can go wrong?" So who will win? And how disastrously can 'revenge go wrong' for everybody? Here's what some previous readers had to say about *Her Perfect Revenge*: "Loved this book! This book was well written. I loved how the nerdy girl in High School grew into a beautiful woman and was a bit of a spit-fire to boot. Just what the billionaire's son needed to rock his world." "LOVED IT!!! "The story was great. Girl gets hurt in high school and years

later plans her revenge, what can go wrong? Ohh my, so much! It was funny and sweet all at the same time. If someone asked me for a good vacation book, this would be on the top of my list." "Loved, loved, loved Her Perfect Revenge Absolutely loved this book! The plot has more twists and turns than a mountain highway." "A true page turner I read a lot of romance books. I started reading romance books in 7th grade . This one will be one of my favorites." "Could Not Stop Laughing; A Must Read On a scale from 1 to 5, this book was a 10. This book is filled with scams that will have you laughing and shaking your head." "Perfect revenge I absolutely loved this book! im usually into "vampire" books but i decided to try something different for a change and so i picked this book and i couldnt put it down!" "Bad Boyz, Bad Boyz..whatcha gonna do? This book was great read. I actually stayed up until 3am this morning reading the book (resulting in lack of sleep last night and lack of focus today at work). However it was well worth it." "I loved this angsty read! I read Her Perfect Revenge in one day, I couldn't put it down. Holy Mackerel was this an emotional ride!"

## **Songwriting For Dummies**

A comprehensive guide to pursuing a career in the world of dance profiles jobs ranging from professional dancer and choreographer to technical director and costume designer, incorporating tips by industry insiders and inspiring stories by young people. Simultaneous and eBook.

## **Her Perfect Revenge**

Tracing historical relationship from the dawn of civilization through the twentieth century, the authors argue that technology as "applied science" emerged relatively, as industry and governments began funding scientific research. They explore the emergence of Europe and the United States as a scientific and technological power.

## **Elmer Gantry**

Fights, action, music, romance, secret trysts-renowned classical musician Pandit Hariprasad Chaurasia's life reads almost like a film script. Wrestler in the morning, student during the daytime and flute player in secret, he lived more than a double life through his early years, till he broke away from his wrestler father's watchful eye to join All India Radio as a flautist. His marriage, relocation to Bombay and his foray into films were events rich in drama. As were his meetings with other musical greats, including Pandit Shiv Kumar Sharma, his dearest friend and music partner, with whom he composed the music for films like Silsila, Lamhe and Chandni. His reminiscences about his journey as a student of the reclusive Annapurna Devi, daughter of the famed Allauddin Khan of Maihar, give deep insights into his nature as well as that of his guruma. Hariprasad Chaurasia has also been a guru to innumerable students in his Mumbai and Bhubaneswar gurukuls, and

at the World Music Department, Rotterdam Music Conservatory, the Netherlands, where he is artistic director. His mesmerizing flute can be heard in some of Hindi cinema's most popular songs, in a composition by the former Beatle George Harrison, as well as in recordings with renowned musicians from across the world. A plethora of awards, including the Padma Vibhushan, sits lightly on the man, who has taken the humble flute to international renown as an instrument that can hold its own. Hariprasad Chaurasia and his *Breath of Gold* will inspire and amaze everyone who reads the life story of this much-loved flautist.

### **The Social Media Reader**

"They've said some crazy things about me over the years. I mean, okay: 'He bit the head off a bat.' Yes. 'He bit the head off a dove.' Yes. But then you hear things like, 'Ozzy went to the show last night, but he wouldn't perform until he'd killed fifteen puppies . . .' Now me, kill fifteen puppies? I love puppies. I've got eighteen of the f\*\*king things at home. I've killed a few cows in my time, mind you. And the chickens. I shot the chickens in my house that night. It haunts me, all this crazy stuff. Every day of my life has been an event. I took lethal combinations of booze and drugs for thirty f\*\*king years. I survived a direct hit by a plane, suicidal overdoses, STDs. I've been accused of attempted murder. Then I almost died while riding over a bump on a quad bike at f\*\*king two miles per hour. People ask me how come I'm still alive, and I don't know what to say. When I was growing up, if you'd have put me up against a wall with the other kids from my street and asked me which one of us was gonna make it to the age of sixty, which one of us would end up with five kids and four grandkids and houses in Buckinghamshire and Beverly Hills, I wouldn't have put money on me, no f\*\*king way. But here I am: ready to tell my story, in my own words, for the first time. A lot of it ain't gonna be pretty. I've done some bad things in my time. I've always been drawn to the dark side, me. But I ain't the devil. I'm just John Osbourne: a working-class kid from Aston, who quit his job in the factory and went looking for a good time."

### **"Gentlemen Prefer Blondes"**

"Vitaly important, devastatingly thorough, and shockingly revealing.... After reading *Primetime Propaganda*, you'll never watch TV the same way again." —Mark Levin Movie critic Michael Medved calls Ben Shapiro, "One of our most refreshing and insightful voices on the popular culture, as well as a conscience for his much-maligned generation." With *Primetime Propaganda*, the syndicated columnist and bestselling author of *Brainwashed*, *Porn Generation*, and *Project President* tells the shocking true story of how the most powerful medium of mass communication in human history became a vehicle for spreading the radical agenda of the left side of the political spectrum. Similar to what Bernard Goldberg's *Bias* and *A Slobbering Love Affair* did for the liberal news machine, Shapiro's *Primetime Propaganda* is an essential exposé of corrupting media bias, pulling back the curtain on widespread and unrepentant abuses of the Hollywood entertainment

industry.

## **The Age of Revolution**

NO LOGO was an international bestseller and "a movement bible" (The New York Times). Naomi Klein's second book, *The Shock Doctrine*, was hailed as a "master narrative of our time," and has over a million copies in print worldwide. In the last decade, No Logo has become an international phenomenon and a cultural manifesto for the critics of unfettered capitalism worldwide. As America faces a second economic depression, Klein's analysis of our corporate and branded world is as timely and powerful as ever. Equal parts cultural analysis, political manifesto, mall-rat memoir, and journalistic exposé, No Logo is the first book to put the new resistance into pop-historical and clear economic perspective. Naomi Klein tells a story of rebellion and self-determination in the face of our new branded world.

## **The Spirit Catches You and You Fall Down**

Chris Dancy, the world's most connected person, inspires readers with practical advice to live a happier and healthier life using technology. In 2002, Chris Dancy was overweight, unemployed, and addicted to technology. He chain-smoked cigarettes, popped pills, and was angry and depressed. But when he discovered that his mother kept a record of almost every detail of his childhood, an idea began to form. Could knowing the status of every aspect of his body and how his lifestyle affected his health help him learn to take care of himself? By harnessing the story of his life, could he learn to harness his own bad habits? With a little tech know-how combined with a healthy dose of reality, every app, sensor, and data point in Dancy's life was turned upside down and examined. Now he's sharing what he knows. That knowledge includes the fact that changing the color of his credit card helps him to use it less often, and that nostalgia is a trigger for gratitude for him. A modern-day story of rebirth and redemption, Chris' wisdom and insight will show readers how to improve their lives by paying attention to the relationship between how we move, what we eat, who we spend time with, and how it all makes us feel. But Chris has done all the hard work: *Don't Unplug* shows us how we too can transform our lives.

## **The Golden Age of American Musical Theatre**

A critical survey of Hollywood film musicals from the 1960s to the present. This book examines how, in the post-studio system era, cultural, industrial and stylistic circumstances transformed this once happy-go-lucky genre into one both fluid and cynical enough to embrace the likes of *Rocky Horror* and pave the way for *Cannibal!* and *Moulin Rouge!*.

## **Remake**

The influential rock critic and author of Rip It Up and Start Again traces society's obsession with retro music as reflected by reunion tours and expanded re-releases of classic albums, expressing his concern that our culture's disproportionate focus on past music eras is compromising the distinctiveness of today's sound. Original. 15,000 first printing.

## **If Someone Says "You Complete Me," RUN!**

Wicked and glamorous, Lorelei Lee is the kind of girl who always gets what she wants, and these immortal diaries tell us how she does it. Traveling through Europe with her friend Dorothy, she meets everyone from the Prince of Wales to 'Dr Froyd' and 'Sinclare Lewis'. After many outrageous adventures she returns home to marry a millionaire and become a movie star.

## **Footloose**

Are you a witless cretin with no reason to live? Would you like to know more about every piece of knowledge ever? Do you have cash? Then congratulations, because just in time for the death of the print industry as we know it comes the final book ever published, and the only one you will ever need: The Onion's compendium of all things known. Replete with an astonishing assemblage of facts, illustrations, maps, charts, threats, blood, and additional fees to edify even the most simple-minded book-buyer, THE ONION BOOK OF KNOWN KNOWLEDGE is packed with valuable information-such as the life stages of an Aunt; places to kill one's self in Utica, New York; and the dimensions of a female bucket, or "pail." With hundreds of entries for all 27 letters of the alphabet, THE ONION BOOK OF KNOWN KNOWLEDGE must be purchased immediately to avoid the sting of eternal ignorance.

## **Don't Unplug**

Charley Maplewood is determined not to be weird all his life like his neighbor, so he decides to throw himself a tenth birthday party with a "house of horrors" theme, but first he will have to make some friends to invite.

## **Footloose**

On December 14, 2012, Adam Lanza walked into Sandy Hook Elementary School and killed twenty-six innocent souls before taking his own life. These twenty-six innocent deaths, like pebbles thrown into a pond, created ripples and vibrations that

were felt far beyond the initial rings. This is the story of those vibrations. Similar in style to The Laramie Project, playwright Eric Ulloa conducted interviews with members of the community in Newtown and crafted them into an exploration of gun violence and a small town shaken by a horrific event.
