One of the world's leading feminist theologians demonstrates how reading the Bible can be spiritually and politically empowering for women. Mary Morning Martha Day

The New Perspective on Mary and Martha gives Mary and Martha a total makeover. No longer is this familiar passage about prioritizing spiritual pursuits over the tyranny of the practical. The results of a close reading of the text and careful exegesis of the Greek has Martha escaping the kitchen and Mary is not even in the house! Martha is still overly worried, not about housework, but over the much more understandable concern about her (younger) sister. Mary, who is out of the village, follows her call, ministering on the road with Jesus. Luke 10:38-42 is about discipleship, ministry, trust, and the new family of Jesus.

Explore a tale of two sisters Beyond Mary or Martha: Reclaiming Ancient Models of Discipleship dives into the complicated reception history of Mary and Martha of Bethany, who have been at the center of many debates for almost two thousand years. Jennifer S. Wyant begins her study with a close reading of the sisters' first encounter with Jesus in Luke 10:38-42, then moves on to patristic, medieval, and

modern interpretations of that narrative. Wyant tracks how Mary and Martha both became paradigms of discipleship, revealing the inherent tension within Christianity between contemplative practices and acts of service. By placing ancient debates alongside more modern ones, she argues that, contrary to discussions today within academic and religious circles, gender is not the most important aspect of their story. Features: A thorough examination of the textual variants in the passage to show how variants affected interpretation throughout history Interpretations from medieval women and their contributions to interpretation of Mary and Martha A visual exegesis of the art representing the passage throughout history

Literary Studies in Luke-Acts

This book was written to help people understand and transform education and

professional practice. It presents and extends the theory of practice architectures, and offers a contemporary account of what practices are composed of and how practices shape and are shaped by the arrangements with which they are enmeshed in sites of practice. Through its empirically-based case chapters, the book demonstrates how the theory of practice architectures can be used as a theoretical, analytical, and transformational resource to generate insights that have important implications for practice, theory, policy, and research in education and professional practice. These insights relate to how practices are shaped by arrangements (and other practices) present in specific sites of practice, including early childhood education settings, schools, adult education, and workplaces. They also relate to how practices create distinctive intersubjective spaces, so that people encounter one another in particular ways (a) in particular semantic spaces, (b) that are realised in particular locations and durations in physical space-time, and (c) in particular social spaces. By applying such insights, readers can work towards changing practices by transforming the practice architectures that make them possible.

Mary and Martha

Martha, the sister of Mary and Lazarus, devotes herself to caring for her family, is abandoned by her betrothed, is drawn to a Roman soldier, and finds meaning and grace in her life when she meets the Teacher.

The New Perspective on Mary and Martha

This book presents nine biblical themes in essays authored by veteran educators who surprise and affirm readers with personal accounts of how these themes shaped their practice in education. Culture, faith, and praxis often inform one another, and in an era of increased scrutiny and criticism of education, educators hold tremendous power in shaping the education of students by incorporating these values into daily practice. A cycle of improvement follows purposeful attention to biblical principles, and provides educators with the means to reclaim and reshape our profession. When teachers are willing to examine their practice in light of biblical themes and values, learning becomes meaningful and lasting. Often that learning goes beyond the formal educational process. Educators serve as role models, and the experiences we provide for our students shape who they become and how they view life. A faithful educator encourages positive dispositions of the heart, mind, and spirit. The charge and responsibility of developing the hearts, minds, and spirits of those who enter our classrooms, and the magnitude of the call to teach these students, requires faithful recognition of these biblical themes.

The Spiritual Wisdom of the Gospels for Christian Preachers and Teachers

Mothering is messy. Our joy and hope in raising children doesn't change the reality that being a mom can be frustrating, stressful, and tiring. But just as God is using us to shape our children, God is using our children and motherhood to shape us. In *The Better Mom*, author Ruth Schwenk, herself a mother of four children, encourages us with the good news that there is more to being a mom than the

extremes of striving for perfection or simply embracing the mess. We don't need to settle for surviving our kids' childhood. We can grow through it. With refreshing and heartfelt honesty Ruth emboldens moms to: Find freedom and walk confidently in purpose Create a God-honoring home environment Overcome unhealthy and destructive emotions such as anger, anxiety, and more Avoid glorifying the mess of mom-ing or idolizing perfection Cultivate life-giving friendships At the heart of *The Better Mom* is the message that Jesus calls us to live not a weary life, but a worthy life. We don't have to settle for either being apathetic or struggling to be perfect. Both visions of motherhood go too far. Ruth offers a better option. She says, "It's okay to come as we are, but what we're called to do and be is far too important to stay there! The way to becoming a better mom starts not with what we are doing, but with who God is inviting us to become."

The Age of Martha

The public school systems generally place little, if any, emphasis on biblical and ethical training; yet such exposure is essential for the well rounded child. In *Children: Biblical and Ethical Trainings*, Dr. E. G. Sherman presents a collection of thirty six topics used in the Children Altar Call at the church where he pastors. The topics, one page in length, are selected from the Bible or Children Literature. Each message seeks to instill biblical facts and/or ethical principles. This book has a review guide at the end of the messages that can be used for family bible study and/or review by the child. It can also serve as a guide for the Ole Back Yard Bible study and personal witnesses to others. *Children: Biblical and Ethical Trainings* is a valuable resource for a home collection of biblical resources. Additionally, members of the clergy will find it useful to gain insights for short talks and even exploring topics for sermons.

An international news story when published last year, now in paperback: A historical detective story leads to dramatic and ground-breaking revelations about the life and times of Jesus. Waiting to be rediscovered in the British Library is an ancient manuscript of the early Church, copied by an anonymous monk. The manuscript is at least 1,450 years old, possibly dating to the first century. And now, *The Lost Gospel* provides the first ever translation from Syriac into English of this unique document that tells the inside story of Jesus' social, family, and political life. *The Lost Gospel* takes the reader on an unparalleled historical adventure through a paradigm shifting manuscript. What the authors eventually discover is as astounding as it is surprising: the confirmation of Jesus' marriage to Mary Magdalene; the names of their two children; the towering presence of Mary Magdalene; a previously unknown plot on Jesus' life (thirteen years prior to the crucifixion); an assassination attempt against Mary Magdalene and their children; Jesus' connection to political figures at the highest level of the Roman Empire; and a religious movement that antedates that of Paul—the Church of Mary Magdalene. Part historical detective story, part modern adventure, *The Lost Gospel* reveals secrets that have been hiding in plain sight for millennia.

Twelve Extraordinary Women

With nearly a million copies sold, Joanna Weaver's popular book shows women how to blend intimacy with Jesus and service for Him. An invitation for every woman who feels she isn't godly enough isn't loving enough isn't doing enough. The life of a woman today isn't really all that different from that of Mary and Martha in the New Testament. Like Mary, you long to sit at the Lord's feet but the daily demands of a busy world just won't leave you alone. Like Martha, you love Jesus and really want to serve him yet you struggle with weariness, resentment, and feelings of inadequacy. Then comes Jesus, right into the midst of your busy Mary/Martha life- and he extends the same invitation he issued long ago to the two sisters of Bethany. Tenderly he invites you to choose "the better part"-a joyful life of "living-room" intimacy with him that flows naturally into "kitchen service" for him. How can you make that choice? With her fresh approach to the familiar Bible story and its creative, practical strategies, Joanna shows how all of us -Marys and Marthas alike- can draw closer to our Lord, deepening our devotion, strengthening our service, and doing both with less stress and greater joy. This book includes a twelve-week Bible study. Also look for the ten-week DVD study pack companion product to this book, which includes three DVDs and a separate, revised and expanded study guide.

Martha And Mary is a message of meditation based on the Bible and written by one of the most important Christian writers of all time. A devotional message of faith and hope for you. Charles Haddon (CH) Spurgeon, 19 June 1834 - 31 January 1892) was a British Particular Baptist preacher. Spurgeon remains highly influential among Christians of various denominations, among whom he is known as the

"Prince of Preachers". He was a strong figure in the Reformed Baptist, defending the Church in agreement with the 1689 London Baptist Confession of Faith understanding, and opposing the liberal and pragmatic theological tendencies in the Church of his day. It is estimated that in his lifetime, Spurgeon preached to around 10,000,000 people. Spurgeon was the pastor of the congregation of the New Park Street Chapel (later the Metropolitan Tabernacle) in London for 38 years. He was part of several controversies with the Baptist Union of Great Britain and later had to leave the denomination. In 1867, he started a charity organisation which is now called Spurgeon's and works globally. He also founded Spurgeon's College, which was named after him posthumously. Spurgeon was a prolific author of many types of works including sermons, an autobiography, commentaries, books on prayer, devotionals, magazines, poetry, hymns and more. Many sermons were transcribed as he spoke and were translated into many languages during his lifetime. Spurgeon produced powerful sermons of penetrating thought and precise exposition. His oratory skills held his listeners spellbound in the Metropolitan Tabernacle and many Christians have discovered Spurgeon's messages to be among the best in Christian literature.

An invitation for overachievers to discover what it means to rest as God's daughters without compromising their God-given design as doers. Though she didn't sit at Jesus's feet like her sister Mary, biblical Martha was loved just as she was--and you are too. This practical resource invites modern-day Marthas to sit down spiritually as they exchange try-hard striving for hope-filled freedom without abandoning their doer's heart in the process. Doers need to be affirmed in their innate design to do rather than sit, yet also be reminded that they don't have to overdo it in order to be worthy. This book is not an exhortation to add or subtract things off your to-do list, but it is an invitation to embrace the "good" of the Good News. Here is an offer to step into your position as a daughter of God and to enjoy life as a doer.

ObserveInterpetApply People with Bibles don't always know how to use them. They're good at absorbing and repeating material from sermons, commentaries, and blogs, but they miss the fullness and joy that comes from studying the Bible for themselves. The power to change the world is available, but it goes untapped. Though study aids are helpful, imagine if your primary ministry curriculum was Scripture itself. You could study the Bible, teach people how to study it themselves, and expect those folks to lead their own Bible studies with their neighbors, coworkers, and friends. Each year, you'd see an increasing number of men and women wield the sword of the Spirit, piercing hearts and drawing the lost to Jesus. Ordinary people can learn to study the Bible. These people may not have been to seminary. They don't have much free time. But they love Jesus and want to be more like him. They want to know him. Knowable Word offers a foundation on why and how to study the Bible. Using a running study of the first chapter of Genesis, it illustrates how to observe, interpret, and apply the Scripture-and gives the vision behind each step. It also shows how to read each Bible passage in light of salvation history. But besides being just a how-to on Bible study, it fuels the desire to learn and grow through studying the Scriptures. This book will appeal to three kinds of people: 1. Beginners who love God and his Word 2.Mature Christians who want to improve their Bible study skills 3.Leaders who long not only to teach but also to equip Knowable Word offers what each group needs: a sensible Bible study method. By learning to observe, interpret, and apply, ordinary people will grow extraordinarily close to Jesus Christ as they learn to study his knowable Word.
