One of Food52's Best Cookbooks of Fall 2019 One of Epicurious' 12 Best Gift Ideas for the Vegetarian in Your Life "Umami Bomb is your go-to guide for infusing every

meal with deliciousness. Thanks to Raquel's clever ideas and the abundant flavor in her smart, streamlined recipes, this book is set to become a kitchen classic."

—Lindsay Maitland Hunt, author of *Healthyish* and *Help Yourself Ingeniously* built around the use of eight umami-rich ingredients—aged cheese, tomatoes, mushrooms, soy sauce, miso, caramelized onions, smoke, and nutritional yeast—*Umami Bomb's* 75 recipes are bursting with the sublime, savory fifth taste—and they're vegetarian! Turn mushrooms into "lardons" for a bold take on Southern black-eyed peas and greens. Caramelize onions to use in the best grilled cheese ever. Add a secret spoonful of soy sauce to the frosting of your next chocolate cake—the soy taste disappears but leaves behind an unexpected depth of flavor. Part of the brilliance of *Umami Bomb* is how the recipes layer these key ingredients to amplify their effect—like adding miso to an already cheesy *cacio e pepe* sauce for pasta so savory and delicious you'll do a double take. *Umami Bomb* "addresses the "depth" issue for vegetarian cooks with a love letter to umami [Pelzel's] insanely next-level grilled cheese recipe deploys two umami bombs — miso and caramelized onions — and, dare I say, is as satisfyingly decadent as a burger." —Jenny Rosenstrach, *A Cup of Jo*

## **When in Doubt, Add Butter**

From one of the most beloved and bestselling authors in the English language, a vivid, nostalgic and utterly hilarious memoir of growing up in the middle of the United States in the middle of the last century. A book that delivers on the promise that it is “laugh-out-loud funny.” Some say that the first hints that Bill Bryson was not of Planet Earth came from his discovery, at the age of six, of a woollen jersey of rare fineness. Across the moth-holed chest was a golden thunderbolt. It may have looked like an old college football sweater, but young Bryson knew better. It was obviously the Sacred Jersey of Zap, and proved that he had been placed with this innocuous family in the middle of America to fly, become invisible, shoot guns out of people’s hands from a distance, and wear his underpants over his jeans in the manner of Superman. Bill Bryson’s first travel book opened with the immortal line, “I come from Des Moines. Somebody had to.” In this hilarious new memoir, he travels back to explore the kid he once was and the weird and wonderful world of 1950s America. He modestly claims that this is a book about not very much: about being small and getting much larger slowly. But for the rest of us, it is a laugh-out-loud book that will speak volumes – especially to anyone who has ever been young.

## **Skinny Bitch in Love**

The year is 1965, and Kate Cadogan has just got her first bra and corset. It's a watershed moment, even if she hates the way the girdle chafes the tops of her thighs, and even though what she really wanted was a polka-dot shift dress with a cool Peter Pan collar. Undaunted, Kate jumps headfirst into the thrills and heartaches of her teenage years, albeit under the watchful eye of her mother, Biddy, a woman so repressed and controlling she gives new meaning to the word 'matriarch'. From her first crush, local bad boy Barry Finch, through to her scandalous period of 'living in sin' during her years at teacher training college, right up to her passionless marriage to Rodney, Kate seems to have a talent for picking the wrong men. Ultimately seeking Biddy's approval in everything she does, Kate finds the parameters of her life shrinking before her eyes, and feels powerless to stop it. Fortunately, her lifelong friends, Moira and Ingrid, are on hand, giving her more support than a foundation garment ever could, helping her to realise that she can create a life for herself, and that starting over has no age limit.

New York Times bestselling author Beth Harbison whips together a witty and charming--and delicious--story about the secrets we keep, the friends we make, and the food we cook. MUST LOVE BUTTER: The Cookbook Club is now open to members. Foodies come join us! No diets! No skipping dessert! Margo Everson sees the call out for the cookbook club and knows she's found her people. It's hard hiding a pregnancy, especially one she can't bring herself to share with her wealthy boyfriend and his snooty mother. Trista Walker left the cutthroat world of the law behind and decided her fate was to open a restaurant...not the most secure choice ever. But there she could she indulge her passion for creating delectable meals and make money at the same time. The women bond immediately, but it's not all popovers with melted brie and blackberry jam. Margo's farm house is about to fall down around her ears; Trista's restaurant needs a makeover and rat-removal fast; and as for Aja, just how long can you hide a baby

bump anyway? In this delightful novel, these women form bonds that go beyond a love grilled garlic and soy sauce shrimp. Because what is more important in life than friendship...and food?

## **What's for Dinner?**

Twenty years ago, Allie Denty was the pretty one and her best friend Olivia Pelham was the smart one. Throughout high school, they were inseparable until a vicious rumor about Olivia— a rumor too close to the truth—ended their friendship. Now, on the eve of their twentieth high school reunion, Allie, a temp worker, finds herself suddenly single, a little chubby, and feeling old. Olivia, a cool and successful magazine beauty editor in New York, realizes she's lonely, and is finally ready to face her demons. Sometimes hope lives in the future; sometimes it comes from the past; and sometimes, when every stupid thing goes wrong, it comes from a prettily packaged jar filled with scented cream and promises. Beth Harbison has done it again. A hilarious and touching novel about friendship, Love's Baby Soft perfume, Watermelon Lip Smackers, bad run-ins with Sun-In, and the healing power of "Gee Your Hair Smells Terrific." Hope in a Jar: we all need it.
